My Testimony is in SUPPORT of Bill 12 (Amending the provisions of ROH Chapter 8)

I have been a resident of Hawaii for 43 years. I am 70 years old and am a retired physical therapist, living on a fixed income. I own a 32 year old gelding, who my family purchased as a 4 year old and flew in from the mainland.

I am also the care giver for a 22 year old mare who was abandoned and starved. A young lady who was born and raised here in Hawaii, that is now living in England trying to qualify for our United State Summer Olympic Equestrian Team, saved her. This mare was her first project horse as a young child

Without this Bill 12 the boarding facility I am currently boarding both horses at will have to raise their board to over \$3000.00 a month and as that is not feasible for any horse owner to pay, they will surely close.

If you do not pass this BILL 12, my old man will have to be uthanized and the mare will be turned over to the already over crowded Equine ASPCA.

I Humbly ask all Council Members to UNANIMOUSLY PASS BILL 12.

Sincerely,

Wendy Moore
